Purpose / Vision

<div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-bottom: 5px;">1. CUSTOMER SEGMENT(S) CS</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Public People who are affected by natural disaster are considered as a customer's</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">2. JOBS-TO-BE-DONE / PROBLEMS JAP</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Structural damage to buildings. Loss of utilities like electricity and water. Debris cleanup and waste management solutions. Infrastructure-related problems such as closed roads and communication losses.</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">3. TRIGGERS TR</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Humans impact the physical environment in many ways: overpopulation, pollution, burning fossil fuels, and deforestation. Changes like these have triggered climate change, soil erosion, poor air quality, and undrinkable water.</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">4. EMOTIONS: BEFORE / AFTER EM</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Before people can experience a variety of thoughts and behaviors. After an occurrence of natural disaster customer feels like Feelings of fear, anger, sadness, worry, numbness, or frustration. Changes in appetite, energy, and activity levels. Difficulty concentrating and making decisions. Difficulty sleeping or nightmares.</p> </div>	<div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-bottom: 5px;">6. CUSTOMER CONSTRAINTS CC</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Awareness, education, preparedness, and prediction and warning systems can reduce the disruptive impacts of a natural disaster on communities. Mitigation measures such as adoption of zoning, land-use practices, and building codes are needed, however, to prevent or reduce actual damage from hazards.</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">9. PROBLEM ROOT CAUSE RC</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>The lack of resources and capacities (e.g., financial, human and technical) and a low level of knowledge and education emerged in all case studies as major root causes for several drivers of disaster risk..</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">10. YOUR SOLUTION SL</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Restoring forests, for example, prevents land degradation and stabilises soil as the trees and roots protect it from being washed or blown away. The key is making the home strong and airtight. Awareness, education, preparedness, and prediction and warning systems can reduce the disruptive impacts of a natural disaster on communities..</p> </div>	<div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-bottom: 5px;">5. AVAILABLE SOLUTIONS AS</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>Emergency measures Infrastructures Investments in risk reduction Information sharing on newest research findings Issues and diseases Reforestation Stable buildings Education Technology Economic support</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">7. BEHAVIOUR BE</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>If you have not been ordered to evacuate, stay in a safe area or shelter during a natural disaster. ... Listen to your portable radio for important updates and instructions from local authorities. ... If power is lost, use a generator with caution.</p> </div> <div style="background-color: #f0f0f0; padding: 2px; font-size: 0.8em; margin-top: 5px;">8. CHANNELS of BEHAVIOUR CH</div> <div style="background-color: #f0f0f0; padding: 5px;"> <p>8.1 ONLINE The social networking media can help enhance coordination among volunteers and emergency services. The content sharing media can help in conducting situational awareness by identifying images or videos of how a crisis is evolving in real time. It can serve as an open communication channel for residents to respond back, ask questions, and provide updates. In fact, during a crisis event, social media's greatest value may lie in allowing emergency response managers to learn about what is happening during an event in real time through social media listening.</p> <p>8.2 OFFLINE Identify emergency exits in your home and evacuation routes in your neighbourhood.</p> </div>
--	---	---

Establish a meeting place.
Plan who will pick up your children.

Plan for specific risks.
Address any special health needs.
Record emergency contact information, including for your insurance company.
